

## Nashville's Boating Club

# Jump Start Your Boating Education

**Nah**, we don't really do that. What we do is try to make boating safer and more enjoyable by teaching classes in seamanship, navigation and related subjects. Our members are boating families who contribute to the community by promoting safe boating through education. We enjoy the company of our fellow members on the water and in the classroom.

**We're** part of the U. S. Power Squadrons (USPS) which has some 60,000 members organized into 450 squadrons across the country and in some US territories. USPS is America's largest non-profit boating organization and has been honored by three US presidents for its civic contributions.

**We** are middle Tennessee's premier boating organization and **we'd love to have you join us.**
